

WEST CHILTINGTON SCHOOL NEWS

Summer 2019

10th MAY

This week in school: High lights in our gallery this week begin with Green Class's first big school outing. They spent an exciting day at Brighton Pavillion. Thankfully it didn't rain all day!

A conversation about the purpose and importance of taking part in elections led Olivia in purple class to investigate the story of women's suffrage. It wasn't long before she had enlisted help to make her own election posters and sashes.

The community banner is well under way with different groups taking up residence in classrooms to create together.

And lastly, children in Turquoise class have been taking part in bikeability this week- learning to use their bikes safely on some of the roads of the village.

May Fair: We need your help for the May Fair!

- Please fill some jars (with sweets, craft things, toys...) for the hoopla.
- Bring in a bake for the cafe.
- Don't forget to bring in your children's May Flowers (any size, style or material) - a winner will be picked from each class.

Village show: Members of the WCVS committee will have an information and craft table at the May Fair. You'll be able to talk to the show organisers, sign up to attend a costume making class, enter show competitions, design patches for the intergenerational banner or sign up to walk in the show day parade.'
