

WEST CHILTINGTON SCHOOL NEWS

Summer 2019

12th July

This week in school: - : Purple and yellow classes had a lovely day bug hunting at Pulborough Brooks. Sports day was a triumph for the Red team. It was lovely to have such a strong turnout from our families to support the children on this most enjoyable morning. Today, Abi Nichols has brought some of her colleagues into school to run a Science and technology session for Blue and Red classes. Thermo-Fisher are based in Horsham and they put on a workshop showing the children how to extract DNA from strawberries. They also made a kind donation of £600 for us to purchase more science equipment. Among the photos of these activities, is a sneak preview of the Village Show banner which we'll be marching with tomorrow.

Survey: Sondra Fulbrook, one of our parish councillors has asked me to share the link to a survey the parish are conducting. They want to invest in more community facilities which might cater for young and old in the village. Response is welcomed from all.

Woodwind Lessons: From September we will have spaces available for individual pupil woodwind lessons. Please contact the school office for details or for a trial.

Lost Property : Last Call to collect any items of lost property before the end of term. All items left in the lost property bins will be given to charity.

Netball: Just a reminder that there will be no netball club next week as our coach Emily is getting married on Sunday!

School Trips: If you have any outstanding voluntary contributions for school trips please make your payments by the end of term if possible.

DATES

JULY

16th – Rocksteady Concert at 2.15pm

23rd - Last day of Term!

SEPTEMBER

2nd – INSET DAY

3RD -INSET DAY

4th – First day of Term

Car Rota: 1 more volunteer needed! Thank you to those who have responded already. It is designed to help everyone!

As year 6's and their parents move on at the end of Summer Term we have got a final space to fill on the morning car doors rota from September.

1 x Friday. But if you can help on other mornings please get in touch and we may be able to swap around. If there are not enough volunteers then the system will not be able to run on some days, as it would create a backlog into the road if the cars cannot circulate fast enough. If you can help out please email the coordinator on - westchiltcardoors@gmail.com.

The rota and guidelines can all be found below to see the gaps and what it entails. https://docs.google.com/document/d/1Yjj85lJ_82wXlbrDk85lUoGZG0ZeUA8e628HH9orm74/edit?usp=sharing

Thankyou!

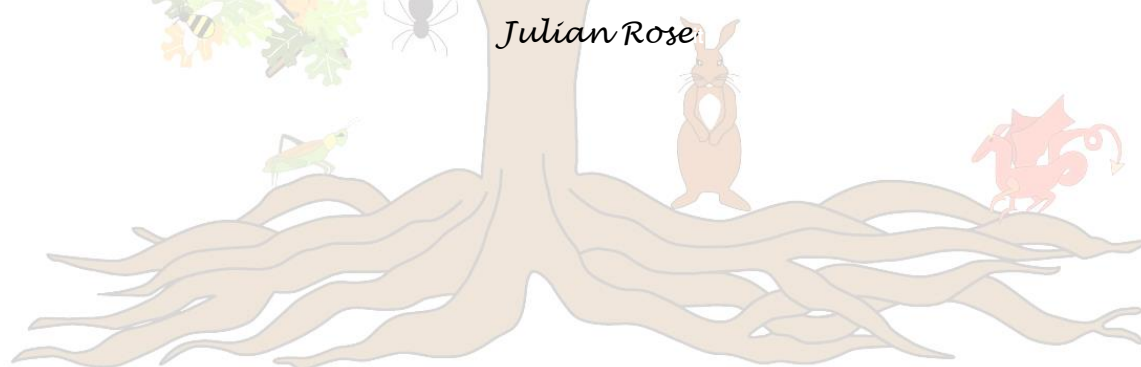

School Uniform: School Trends have been in touch to say that high demand for new uniform over the summer months usually causes an increase in turnaround to around 21 days, they suggest that in order to have your uniform in time for the start of the new school year they recommend that parents order by the **9th August 2019**.
