

# WEST CHILTINGTON SCHOOL NEWS

Summer 2019

21<sup>st</sup> June

**This week in school:** there is a crammed gallery. Key Stage one children are pictured at Amberley where they took second prize in a STARS schools athletics event. Blue class have been planting trees and working in the woods; orange have been working on the banner for the village show; yellow have been making clay hedgehogs; purple have been finding out about real life superheroes- dressing up in Liz Johnson's old police uniform; Turquoise have started building the electric car which some of them will be racing at Goodwood in a month.

**Parking:** A couple of reminders and an appeal for help. Thoughtless parking is a constant source of irritation and so it is with a deep sigh that I raise the subject again:

There is a lot of poor parking still going on in East Street particularly heading towards the hollows. I have no jurisdiction over this- it is a shared responsibility for all road users. Can I urge you if you observe parking behaviour that has potential safety implications for our children to report vehicles to Sussex police using the operation crackdown website.

If we all take responsibility, we will make difference.

Parking on the school site is reserved for staff only with the exception of those with a disability. There are no other exceptions. Please observe this simple rule. If any parents would be willing to join a rota at the car park entrance- putting the chain up before pick up and ensuring that those with a disability can get onto the site, please let me know.

### Helpers needed - Car Doors Rota - September onwards

As year 6's and their parents move on at the end of Summer Term we have got spaces to fill on the morning car doors rota from September. Current gaps are 2 x Tuesday and 1 x Wednesday. But if you can help on other mornings please get in touch and we may be able to swap around. If you can help out please email the coordinator on - [westchiltcardoors@gmail.com](mailto:westchiltcardoors@gmail.com). The rota and guidelines can all be found below to see the gaps and what it entails.

**Lost Property:** A large amount of lost property has accumulated by the school hall. Please can you double check if you are missing items and take a look in the overflowing lost property bins!

**School Uniform:** School Trends have been in touch to say that high demand for new uniform over the summer months usually causes an increase in turnaround to around 21 days, they suggest that in order to have your uniform in time for the start of the new school year they recommend that parents order by the **9th August 2019**.
