

WEST CHILTINGTON SCHOOL NEWS

Summer 2019

5th July

This week in school: - pictures in the gallery today are from the Fiver challenge. Buddies from yellow and Turquoise classes have been using cash from a young enterprise fund to raise money for their chosen charities. The profits go to the charities and the start up funds are repaid. It's a fantastic scheme from which the children have learned a huge range of skills. The culmination of the project was in the stalls which so many of you supported yesterday afternoon. We were very proud of them all.

Helpers needed - Car Doors Rota – There was no response to this appeal last week. It is designed to help everyone! I'm very grateful to Simon Bedford for taking on the thankless task of organising the rota. As year 6's and their parents move on at the end of Summer Term we have got spaces to fill on the morning car doors rota from September. Current gaps are 2 x Tuesday and 1 x Wednesday. But if you can help on other mornings please get in touch and we may be able to swap around. If there are not enough volunteers then the system will not be able to run on some days, as it would create a backlog into the road if the cars cannot circulate fast enough. If you can help out please email the coordinator on - westchiltcardoors@gmail.com. The rota and guidelines can all be found below to see the gaps and what it entails.

Thankyou!

Lost Property: Another reminder to look for any lost items in our lost property bins before it is taken to charity at the end of term.

Road Works: Please be aware there will be temporary traffic lights at the junction of the Hollow and Broadford Bridge road all next week, so expect extra congestion.
